

EAA Chapter 1674

Youth Private Pilot-Glider Scholarship Application

Acquiring a private pilot-glider certificate is a privilege that requires commitment, dedicated study, and an enthusiasm for all things aviation. This flight training opportunity is available for students ages 15-19 and is funded by donations to EAA Chapter 1674. The scholarship is for up to \$3,500 towards obtaining a Private Pilot-Glider certificate.

While it is possible that training can be successfully completed at a cost below the award limit, in many cases completion will require additional funds provided by the applicant and family. Funding is dependent upon the scholar completing progress reports and meeting milestones in a timely manner.

Application Instructions and Requirements

- Must be a high school student in good standing and at least 15 years of age
- Must have a GPA of equal to or greater than 3.0 out of 4.0
- Must be obtaining a Student Pilot Certificate
- Must be obtaining or already possess a minimum of a 3rd Class Medical Certificate
- Must have a Learners Permit and actively driving
- Must participate in our EAA Chapter's Youth Programs 4 hours per month minimum
- Must volunteering to assist at our Chapter's Young Eagles Rallies
- Official Student Scholastic Record/Transcript must be submitted
- Must have at least two letters of recommendation
- Participating in other aviation related activities such as CAP, ROTC, RCA, etc. is encouraged
- Participating in scholastic, scouting, or sports activities is encouraged

The award will be presented by EAA Chapter 1674 at Inverness Airport.
